Profile

I am third year Creative Digital Media student in TUD Blanchardstown. I am currently enjoying my course and have a strong passion for the modules in my course. I love to learn about coding and have a lot of enthusiasm and a lot of skills when it comes to filmmaking and photography. I also have done a lot of work in UX/UI design for college in which I am proud of.

Skills Summary

Knowledge in a vast amount of Adobe Software such as Photoshop, InDesign, Dreamweaver, Illustrator and Premiere Pro and other software such as Logic Pro and Visual Studio Code

Experienced in using media technology such as DSLR Cameras, microphone work and studio lighting with an experience in projects and personal work.

Experience in studio work such as studio photography and audio.

Experience in UX/UI app design and was co-developer in a group project in which the group designed an app prototype.

Knowledge in HTML, CSS and JavaScript.

Experience

2019-Present
Sales Assistant/Market Deli
Dunnes Stores
Fredricks St,
Ashbourne Co. Meath
